Dear parents, guardians and students,

The year has begun very well with new and returning students all settling quickly into their new classes. Over the school holidays we have undertaken several projects. We had the carpets thoroughly cleaned, the rejuvenation of the front of the school building has commenced and the windows have been professionally cleaned. Today a new air conditioner will be installed in the school library and several electrical issues around the school will be resolved. It is important to keep our school environment clean, well maintained and comfortable.

### Timetable Change
To allow time to travel to the pool and be ready to swim by 1:45pm we will have our lunch at 12:45pm on swimming days. Wednesday and Friday will remain at 1pm. Any parents who wish to help with walking to the pool, supervision or teaching would be very welcome. We will arrive back to school in time for the dismissal bell each day.

### Specialist Days
This year we have created a timetable that has most of the disruptions to our normal program on the same day. We will have all Art lessons, P.E lessons and Junior Library on Wednesdays. Parents are reminded to have students in their sports uniforms on this day.

### Opening School Mass
This Thursday the 9th of February at 12:15pm we will have an opening year school mass for students and any parents who wish to join us. We will use this celebration to ask God for his blessing on our school year and to thank him for the great opportunities we have at St Colman’s.

### New Room
Our second withdrawal room has undergone a transformation as Mrs Rantall prepares it to be a great place of learning and discovery in Numeracy. Students will receive additional support in Maths as Jy implements the EMU intervention program she will be trained in this year.

### HCSN Photo
As there are no Preps at school in any of our network Primary schools this Wednesday the 8th of February we have decided to postpone the photograph until all student in the HCSN network are available. We will let you know of this date as it becomes available.
Foundation Rest Day Wednesday
For the first term the Foundation students will have a rest day each Wednesday when there is a full week of school. On any short week they will attend on the Wednesday.

Professional Development
On Wednesday the 15th and Thursday the 16th Miss Liston will travel to Ballarat to be involved in professional development sessions on OLSEL. “Oral Language Supporting Early Literacy” seeks to develop the oral language competence of students in the early years, to facilitate early literacy development.

Volunteer Needed
We are still seeking a secretary for the P&F for this year. If you would like to put your hand up for this role it would be greatly appreciated. There will be lots of help and support if this is a new experience for you.
Terang Athletic Club Training Resumes

Anyone in Year 3 and above, wishing to partake in running training are welcome to come to the Terang Recreational Reserve at 4.00pm until 4.45pm each Wednesday afternoon, weather permitting. This will run during Term 1 with the last session being Wednesday the 29th of March.

Please contact Jill Mckenzie for any further information on 0418175599.

Dear St Colmans Primary School

On behalf of the Mortlake Lions Club I am writing to thank you for taking part in the Christmas Parade & Carols in Mortlake on Friday 16th Dec.

It was really great to have the community involved in this event and with out the generous support from you it would not have been possible or as successful.

As a club we are hoping to again have the Mortlake Parade & Carols in 2017 and look forward to your continuing support.

If you have any feedback to help make it even a better celebration in 2017, we would like to hear from you.

Yours Sincerely,

Heather Rowe
On behalf of the Mortlake Lions Club
